

The Myriad "Perfect Obligation"

Visit "[Perfect Obligation](#)" on MotoLyrics.com

You, are my perfect obligation,
I didn't spend a lifetime waiting
For a moment just to give you up
You still needing my attention,
A little fuel for my resentment
Any moment now I'll give you up
Come on out, come on out

Change your mind
Come on out, come on out
I'm feeling strong this time,
Come on out, come on out
I'm going out tonight

Lights out, I'm looking for a reason to walk away from
this decision
Breaking more than promises, breaking more than us
Right now I'm looking for the right out,
A little of the white out of grace to wash me clean
please

Change your mind
Come on out, come on out
I'm feeling strong this time, come on out, come on out
Change your mind
Come on out, come on out
I'm feeling strong this time, come on out, come on out
I'm going out tonight

Change your mind
(I can see you clearer)
I'm feeling strong this time
(I can see you clearer from my knees)
Come on out, come on out,
Come on out, come on out

Change your mind, Come on out, come on out
I'm feeling strong this time
Come on out, come on out
Change your mind, Come on out, come on out
I'm feeling strong this time
Come on out, come on out

(I'm going out tonight)

Change your mind

(I can see you clearer)

I'm feeling strong this time

(I can see you clearer from my knees)

Come on out, come on out,

Come on out, come on out
