Did you forget to read the signs posted on every
corner?

Polar bears have escaped
They are running throughout the town
Still you roll on oblivious
You pack up all of your sins
And you roll on oblivious

Wouldn't it be nice
If we could ignore all the signs for just one day
If we could break all of the rules
For just one day

Did you forget to read the signs?
Sharks are creeping in today
Tired of eating fish
In search of something more rewarding
Still you roll on oblivious
You pack up all of your sins
And you roll on oblivious

Wouldn't it be nice
If we could ignore all the signs
For just one day
If we could break all of the rules
For just one day

For just one day
For just one day
For just one day

Wouldn't it be nice
If we could ignore all the signs
For just one day
If we could fall in love and break rules
For just one day
