What if they steal my skateboard?
What if they steal my drums?
What if they steal my talent?
What if they steal my shoes?
Alien'alien clones
Alien'alien clones
What if they steal my socks?
They'll give back my socks
They won't want my socks
I know them by the stink
Alien?.alien clones
Alien'alien clones
I'm a little bit ?fraid of spiders
I'm a little bit ?fraid of snakes
I'm a little bit ?fraid of the Chucky movie
I'm a little bit ?fraid of the Grudge movie

I'm not afraid of my brother though
I wish Chucky would take my brother
And feed him spiders and maybe some snakes
Alien'alien clones
Alien'alien clones
I'm really mad at my brother
He always criticizes me
He tells me it's the wrong word
Or the right or wrong note
I'm very mad at him about that
So now I'm going to criticize him about other stuff
Like skateboarding and drums
Now I'm not going to put up with this
