Verse 1

blond hair, shiny blue eyes
Face made of gold
Hypnotized by your beautiful eyes that draw me in
So please take my hand, I be honored to dance with
you, maybe have a chance with you
beautiful one, beautiful girl
Hypnotized by your beautiful eyes

Chorus

Beautiful eyes in disguise
They will arise
I despise any man who would take them away
Beautiful eyes
Beautiful eyes in disguise
They will arise
I despise any man who would take you away
Beautiful eyes

Verse 2

I'd be happy to sit with you and tell you that life's all
new
So please take my hand
Beautiful eyes in disguise

Chorus (1 1/2 times)

Beautiful eyes in disguise it will arise
I despise any man that would
take them away beautiful eyes

Beautiful Eyes in disguise it will arise i despise any
man that would take you away beautiful eyes

Beautiful eyes in disguise it will arise i despise any
man
that would take them away beautiful eyes
