No time for feelings  
Or for love  
Worship the man  
On the bus stop  
Brighten the day  
Of a woman on the subway  
Catch up with the end

Running like a chicken  
Without its head  
The universe is doing so  
Rocking to bed  
A baby that's not yours  
Driving the mustang  
At full speed  
Waiting for the  
Same replica day  
Catch up with the end

Don't do as I do  
Won't you do as I say  
I might make people angry  
But that's the risk I'll take

Catch up with the end

Catch up with the end  
Catch up with the end  
Catch up with the end

Swimming in an ocean  
Without water  
Fell into a sack  
Filled with quarters  
Fighting the king  
Of evolution  
Dreaming of an  
Imaginary land

Don't do as I do  
Won't you do as I say  
I might make people angry

But that's a risk I'll take

Catch up with the end

Catch up with the end

Catch up with the end

Catch up with the end
