To tell you the truth
I'm very confused
I'm not amused
I'm just curious

With all your lies you left behind
What did you find?
I'm so curious

I'm so curious
how you see me,
Curious
What went through your head?
curious
How you see me
Curious
What went through your head?

Will I ever know?
Will I ever know?

I'm confused,
Puzzled
And in a daze
and I know you wouldn't
Treat me that way
And I got you
On my mind everyday
and I know you wouldn't
Treat me that way

What made you realize
It came in such a surprise
You're gonna run and hide,
I'm curious

Forgive and forget
That's what you said
You lost your head
I'm so curious

I'm so curious
How you see me,
Curious

What went through your head?
I'm just curious
How you see me
Curious
What went through your head?

Will I ever know?
Will I ever know?

I'm confused,
Puzzled
and in a daze
and I know you wouldn't
Treat me that way
And I got you
On my mind everyday
And I know you wouldn't
Treat me that way

Tell me what you didn't mention
Grab this wish
AND NO MORE TENSION!

I'm confused,
Puzzled
and in a daze
and I know you wouldn't
Treat me that way
I got you
On my mind everyday
And I'm confused,
Puzzled
and in a daze
and I know you wouldn't
Treat me that way
I got you
On my mind everyday

And I know you wouldn't,
Treat me that way
