So many fish in the sea then I'm fishing for love  
So many fish in the sea then why don't we go for a  
swim  
We'll find pretty girl and we'll bring her back home  
Don't know where she lives or where she may roam  
Fishin for Love  
Fishin for Love  
Brought back a girl named Sanny  
Her Fathers name is Danny  
And she lives in Tennessee  
She's 5 foot 4  
She likes to go to the beach  
And She's got one bad knee  
She wears her tee shirt that goes up to her belly  
She's a crazy chick  
A crazy girl and we got her out at sea  
A crazy girl and we got her out of the sea  
So many fish in the sea then I'm fishing for love  
If there's soo many fish in the sea then why not go for a  
swim  
We'll find another girl and bring her too  
She won't be old an I'll make sure that she'll be new  
Fishin for Love  
Fishin for Love  
Her name is Nora  
She lives in Barbara  
She's the dairy Queen Queen  
She works at the deli  
She really like's Nelly  
Her best friends' Kelly  
She reads Magazines  
She eats her Green beans  
And she whines the day is done  
She's a crazy chick  
A crazy girl and we got her out at sea  
A crazy girl and we got her out of the sea  
[Musical Interlude]
