Eight hours in JFK  
Four hours on the plane  
Twelve hours with David Julian Levi  
Woke up to waterslides  
Woke up to giant pool  
Woke up to nachos in the morning  
Played lots of basketball  
Even though we're not that tall  
We beat them 20 points to two  
Great, great, great, great  
Great, great, great, great trip  
Great, great, great, great  
Great, great, great, great trip  
Love is in the air  
Gel is in their hair  
Shades strapped around their temples  
Faced all the screaming girls  
Notes and flyers a whirl  
Are you a famous rock and roll band?  
Great, great, great, great  
Great, great, great, great trip  
Great, great, great, great  
Great, great, great, great trip  
I've never had so much fun  
I've never felt so much joy  
This is the time of our life  
Flew home to hug our dogs  
Flew home to see our band  
Flew home to cry because it's over  
Unpacked our suitcases  
And slept in our own beds  
Dreamed of paradise lost  
Great, great, great, great  
Great, great, great, great trip  
[repeat]
