I could be anything I wanna be  
I could be anything I wanna be  
like a bird flying up in the tree  
like a bee stinging for honey  
I could be anything I wanna be  
I could be anything I wanna be  
like a fish swimming in the sea  
like a copy of someone like me  
I could be  
I could be  
I could be  
I could be  
I could be anything I wanna be  
I could be anything I wanna be  
like a rapper for example Jay Z  
like a skateboard prodigy  
I could Be  
I could be  
I could be  
I could be  
I could Be  
I could BE!
