I don't want to go to school
Yes, it's true
I don't want to see a teacher's
Face again
I don't want to go to school
Every morning
I don't want to go to school

I don't want to go to school
I don't want to go to school
I don't want to go to school

Don't want to go to school
And that's for sure
Don't take me in the morning or I'll
Cry some more
And I am really tired of
Being treated like a fool
I don't want to go to school

You can't deny me of my
You can't deny me of my
You can't deny me of my
Freedom

You can't deny me of my
You can't deny me of my
You can't deny me of my
Summer

I don't want to go to school
And you give us so much work
I go crazy
Try to rest my head and you
Call me lazy
I look around and all I see
Is depression
And I'll tell you teachers
I've got a confession

All us kids want to do
Is have some fun

But the work, the work
The work is never done
You always tell me to stop
To stop clowning around
Can't even make, make, make, make
No sound
I can't make no sound

I don't want to go to school
I don't want to go to school
I don't want to go to school

I don't want, I don't want, I don't want
I don't want to go to school

I don't want, I don't want
I don't want to go to school

I don't want, I don't want
I don't want to go to school

I don't want to go to school
No, I don't
