I will try not to fall in love again but I don't know if I can

Ooooo oooooo oooo oooooo

I can't get her out of my head
Maybe later things will change
but for now

She's just a girl I know
and nothing more
She's just a girl I know
and nothing more
She's just a girl I know
and nothing more

I can't get her out of my head
Maybe later things will change
but for now

She's just a girl I know
and nothing more
She's just a girl I know
and nothing more
She's just a girl I know
and nothing more
She's just a girl I know
and nothing more

O I will try not to fall in love again
but I don't know if I can
'Cause you're irresistible
but for now

She's just a girl I know
and nothing more

She's just a girl I know
and nothing more
She's just a girl I know
and nothing more
She's just a girl I know
and nothing more

Oooooo O what a girl
O what a girl to me
but I must remember

She's a girl I know
and nothing more
She's just a girl I know
and nothing more
She's just a girl I know
and nothing more
She's just a girl I know
and nothing more

She's just a girl I know
She's just a girl I know
nothing more
Girl I know and nothing more
A girl girl girl girl girl girl girl
A girl I know
Girl girl girl girl girl girl
Girl I know
Girl I know
Girl I know
Girl I know
Just a girl
