"Proof Of My Love"

I know this feeling's true
That I'm in love with you
I know you think I'm wrong
But I wrote you this song

Sorry about last time
He might have hurt your feelings
But I have feelings too
And they're for you, they're for you

No more I see him
J & B and O E
This place is reserved
For you and me

Do I need some proof
Some more proof of my love?
What I see in you
Is maybe what I'm going through

Sorry about last time
He might have hurt your feelings
But I have feelings too
And they're for you, they're for you

You give me confidence
You give me laughter
You give me spark before the day
And light for the night

I know you think I'm wrong
But I wrote you this song
Know you think I'm wrong
But I wrote you this song

Do you need some proof
Some more proof of my love?
Do you need some proof
Some more proof of my love?

Do you need some proof
Some more proof of my love?

Do you need some proof
Some more proof of my love?
