Sailboat why have you left me?

Why have you broke your sail?

Sailboat look what you've done now

Isn't a shame how you

You cut my heart in two

Now im going from east to west

This compass is a messsss

Stuck in this lake

Can't find my way out now

What am i gonna do?

All these boats keep passing

No one will help me

I feel like im about to lose

Cuz i can't find my way home

Im stranded all alone

Do do do do do do do do do do do do do do do do

Sailboat why did you leave me?

How could you decieve me?

And pretty soon

I'll be washed up on that shore

And you'll be coming back for moreeee of my timeeee

But this has drawn the line

Do do do do do do do do do do do do do do do do

Stuck in this lake

Can't find my way out now

What am i gonna do?

All these boats keep passing
No one will help me
I feel like im about to lose
Cuz i can't find my way home
Im stranded all alone

Do you remember the day we first sailed away

You were brand new and i was 22

Now it's over

Now it's done

The prize will never ever be woooooooooon

Stuck in this lake
Can't find my way out now
What am i gonna do?
All these boats keep passing
No one will help me
I feel like im about to lose
Cuz i can't find my way home
Im stranded all aloneeeeeeee
