My mind turned around
I'm seeing things upside down
My mind turned around
I'm acting like a clown

Cause the girl of my dreams
Was right next to me and she was
Sitting on my lap
I didn't catch your name
But I'm going insane
I'm in love with the girl

I will find her
I will get her
I will make her
Little heart come through
I will see her
From miles away
From night to day
In my head

Ohh ahh
Ohh hoooh
What if the girl of your dreams
Was right next to me

The girl of my dreams
Was right next to me and she was
Sitting on my lap
I didn't catch your name
But I'm going insane
I'm in love with the girl

I will dream of her
When she's not there
When she is I will too
I will need her
As I do now
I will bow
For her affection

Ohh ahh

Ohh hooh
What if the girl of your dreams
Was right next to me

The girl of my dreams
Was right next to me and she was
Sitting on my lap
I didn't catch your name
But I'm going insane
I'm in love with the girl

The girl of my dreams
Was right next to me and she was
Sitting on my lap
I didn't catch your name
But I'm going insane
I'm in love with the girl
I'm in love with the girl
I'm in love with the girl
of my dreams
