One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

I'm sorry for all you people out there
That aren't as happy as me
Maybe tomorrow you will
Maybe suddenly see

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

I saw you sitting in the rain
I wonder what I'd do without you
And I just [Incomprehensible]
When I know it's too late

Three is enough
Three is enough
Three is enough
Three is enough

Maybe tomorrow you will
Maybe suddenly see

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

Three is enough
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough

One is okay
Two is fine
Three is enough
