"Yes We Can"

[Verse 1]

Just a friendly face in a crowd of strangers,
With hats held close we will feel no danger,
Seein' stars for the next 8 years,
Wishes may let go your fear

[Chorus]

Yes we can
Yes we can
Yes we can
Yes we can

[Verse 2]

JFK for the brand new wait,
In our lifetime we enter a hopeful state,
Be kind to your neighbor if no one is watchin'
The sight of goodness that no one is stoppin'

[Repeat chorus 4 times]

Yes we can,
Over come,
Yes we can,
Be as one (Be as one)
Yes we can,
Lift together,
Yes we can

[Bridge]

Tell me that I'm preachin',
I'm just speakin' my mind,
Tell me that I'm reachin',
Got to reach to find,
Love the world and you begin,
To see what it's about,
Can we change the way we live,
And let the truth sing out,

Yes we can, yes we can, yes we can ooh,
We can be as one,

Yes we can yes we...can
