I hate to see you go but I love to watch you leave  
When you step on nails that I left for your feet.  
And you'll come in this house and you are hoping for  
some aid.  
And I apologize for my territorial ways.  
And I can't promise I won't hurt you  
But I'll try my best.  
It's only you I'll never do anything like this again.  
Misery loves company  
But you left me all alone.  
Get off the phone.  
You need time to breathe on a scale of one to ten  
How bad do you want to leave?  
This is one for the books.  
Woo!
