I was so hung lose
I met this girl she took away my blues oh yeah, oh yeah
And I knew from the start
This little girl was gonna break my heart that's right,
oh yeah
Roxanne, Roxanne, I don't give a damn about your
other baby
Roxanne, Roxanne, I wanna be yours
And I know in my mind
This little girl was gonna take some time alright, oh
yeah
And I couldn't care less
This little girl was such a great big mess oh yeah, oh
yeah
Roxanne, Roxanne, I don't Give a damn about your
other baby
Roxanne, Roxanne, I wanna be your man
Roxanne, Roxanne, I don't give a damn about your
other baby
Roxanne, Roxanne, I wanna be yours
Roxanne, Roxanne, Roxanne (x3)
Roxanne, Roxanne, I don't give a damn about your
other baby
Roxanne, Roxanne, I wanna be your man
