(*)Shiny working models
Tall gorgeous models
Hungry hungry models
On the runway

Baby, I need jacket
I see through that skirt
Purple plastic earrings
Finger down her throat

Walking like a tiger
Spinning at the end
Hungry hungry models
On the runway

(*)

Hungry Hungry Models
On the runway

Lucy's kind of nervous
Jeannie's on the pill
Peggy's in pajamas
Stevie's kissing Jill

(*)

Pretty little models
Sitting by the pole
Talking about fashion
Hungry like the wolf
