I rode my bicycle past your window last night
I rollerskated to your door at daylight.
It almost seems like you're avoiding me.
I'm o.k. alone but you've got something I
need...
I've got a brand new pair of rollerskates
You've got a brand new key.
I think that we should get together and try
them on to see.
I been lookin around awhile, you got
something for me.
I got a brand new pair of rollerskates
You got a brand new key.
I ride my bike, I rollerskate don't drive no
car.
Don't go so fast, but I go pretty far.
For somebody who don't drive, I been all

around the world.
Some people say I done alright for a girl.
i asked your mother if you were at home.
She said 'yes,' but that you weren't alone.
Oh, sometimes I think that you're avoiding me
I'm o.k. alone but you got something I
need, yeah!
I've got a brand new pair of rollerskates
You've got a brand new key
I think that we should get together and try
them out to see.
Lalalalalalalalala,
Oh, I've got a brand new pair of rollerskates, you've got
a brad new key.
