I was up early one morning
When I lived alone in the dunes
As I remember it wasn't quite dark
And I could still see the full moon
My senses told me that out in the silence
I might see or hear or feel the unknown
But the sun was faster than I was
The magic had set and was all but gone

Oh lord
Let me see something never seen before
By the eyes of man, lord
I wanna see something never seen before
By the eyes of man
I think I saw a long time ago
Will I ever see again?
People saw a long time ago
Will they ever see

Oh lord
Let me see something never seen before
By the eyes of man, lord
I wanna see something never seen before
By the eyes of man
I think I saw a long time ago
Will I ever see again?
People saw a long time ago
Will they ever see
Oh lord

Oh lord
Let me see something never seen before
By the eyes of man, lord
Let me see something never seen before
By the eyes of man
I think I saw a long time ago
Will I ever see again?
People saw a long time ago
Will they ever see

Oh lord

Let me see something never seen before
By the eyes of man, lord
I wanna see something never seen before
By the eyes of man
I think I saw a long time ago
Will I ever see again?
People saw a long time ago
Will they ever see

Oh lord
Let me see something never seen before
By the eyes of man, lord
I wanna see something never seen before
By the eyes of man
I think I saw a long time ago
Will I ever see again?
People saw a long time ago
Will they ever see
Oh lord
