Some say I got devil  
Some say I got angel  
But I'm just a girl in trouble  
I don't think I'm in danger  
Don't think I'm in danger  
No, I know I'm not in danger  
But some have tried to sell me  
All kinds of things to save me  
From hurting like a woman, and crying like a baby  
Something like a woman, crying like a baby

And all the things that I have seen  
Qualify me for a part in your dream  
Qualify me for this dream

And though I'd like to tell it  
Exactly how I feel it  
Somehow the music  
Hides it and conceals it  
Hides it and conceals it  
Oh, it hides

And all the things that I have seen  
Can be hidden in a part of my dream  
Gonna hide it in my dream

Some say I've got devil  
Some say I got angel  
But I'm just this girl in trouble  
I don't think I'm in danger  
No I'm not in danger  
No, I know I'm not in danger
