You can go fishin'
Stay out all night
You can go fishin'
Baby it's all right and
You can go fishin'
'Cause you're off my mind
You can go ramble
Far from my door
And baby you can ramble
Like you always did before
Baby you can ramble
I'm givin' you the sign
And you can go fishin'
'Cause you're off my mind
You can go ramble
All that you want
And baby you can gamble
All the little things
You want and
Baby you can gamble
All the things
I've never known and -
You can go fishin'
I'm givin' you the sign
And you can go fishin'
'Cause you're off my mind
Oh baby you can cry too
All day and morn
Baby you can cry too
With somebody all alone
And baby you can cry
On any shoulder but my own
And you can go fishin'
I'm givin' you the sign
And you can go fishin'
'Cause you're off my mind
