She's faced the hardest times you could imagine  
And many times her eyes fought back the tears, Lord,  
Lord  
And when her youthful world was about to fall in

Each time her slender shoulders  
Fought the weight of all her fears  
And a silent no one hears  
Still rings in midnight silence in her ear

Let her cry for she's a lady  
Let her dream 'cause she is a child  
Let the rain fall down upon her  
She's a free and gentle flower growin' wild

And if by chance I should hold her  
Let me hold her for all time  
And if allowed just one possession  
I would pick her from the garden to be mine, hey, baby

Mmm...  
Ey... hey... hey... hey... yeah

Be careful how you touch her 'cause she will awaken  
And sleep's the only freedom, oh, that she knows,  
Lord, Lord  
When you walk into your eyes, you won't believe

The way she's always payin'  
For a debt she never owed  
And the silent winds still blow  
But only she can hear, so she'll go

Let her cry for she's a lady  
Let her dream, whoa, she is my child  
Let the rain fall down upon her  
She's a free and gentle flower growin' wild

She is my flower growin' wild, yeah  
Oh... oh... she's my flower, she's growin' wild, y'all,  
yeah

Sit down, baby  
Let me rap to you for a second  
You see, I know you have it hard some times  
But when you feel like you need me  
What, you can call me  
You see, because I'll be somewhere around  
You see, not only that  
You see, I'll be your bridge over troubled waters  
You see, the reason why I say this baby is because I  
love you, girl  
I love you so much  
Oh, some time I can't even explain  
You see, you're like a flower that blooms in any season  
And that's why I'd like to say  
You're my flower, baby  
You're my flower, ooh, baby  
A flower  
You're my flower  
Flower  
It's you, baby  
It's you  
It's you, baby, baby  
It's you, baby  
It's you, it's you, baby  
Yeah, yeah, yeah, yeah, yeah  
I love you, baby  
You're my flower  
It's you, baby  
You, you, you, you, yeah, yeah, yeah, yeah  
I love you, I love you, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah  
Baby, baby  
You, you, baby  
You're my flower  
And I just love you, I just love you  
I just love you  
Sweeter than honey, baby  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
I just love you, baby  
Baby, baby
