It's what you know
Oh no it's what you know
Oh no it's what you know
Oh no it's what you know
Oh no it's what you know

Why can't we trust ourselves with a little bit, a little
conversation
It's just a little conversation (it's what you know, it's
what you know)
Oh we might try and tell ourselves that we're not
interested, that we're not pushing it
But we keep pushing it (we keep pushing it)

Don't blame yourself if you want it
Don't blame yourself once you got it
Don't blame yourself if you want it
(I think that you know that I want it)

Don't blame yourself if you want it
Don't blame yourself once you got it
Don't blame yourself if you want it
All yourself

Well we might try to tell ourselves, well we might lie to
tell ourselves that we're not interested, but we keep
pushing it (we keep pushing it)
Pushing it all the way down
Don't waste another day now
Show you the only way I know how
(I think that you know that I want it)

Don't blame yourself if you want it
Don't blame yourself once you got it
Don't blame yourself if you want it
(I think that you know that I want it)

Don't blame yourself if you want it
Don't blame yourself once you got it
Don't blame yourself if you want it
All yourself

It's what you know
Oh no it's what you know
It's what you know
Oh no it's what you know
(I think that you know that I want it)

Don't blame yourself (it's what you know)
Don't blame yourself
Don't blame yourself (it's what you know)
(I think that you know that I want it)

Don't blame yourself (it's what you know)
Don't blame yourself
Don't blame yourself (it's what you know)
(I think that you know that I want it)

Don't blame yourself (it's what you know)
Don't blame yourself
Don't blame yourself
(I think that you know)
(It's what you know)

I want it
I want it
I want it
