Pray for content, settle for free rent, the tenements  
recall Rome  
High five, look up, look alive,  
As the scions of history guess another mystery  
Wrong (x3)  
Recite your lines, and I'll quote scriptures  
Everything, was fine until membership lost it's  
privileges  
Everyone in town, wanted to be around you  
This went on for awhile until they finally found you

Ever so careful, on the strip we cruise, crippled in  
someone else's shoes  
Who knew? Mind you, I never had to stand, in line you  
did, for the ballad of a comeback kid

Watch your step as you step down from the podium,  
returned from the war to a hero's welcome, what's  
more you just had to win  
Blazing new trails, waving goodbye to the audience,  
held captive, the crowd was inactive, it made such  
perfect sense

Ever so careful on the strip we cruise, crippled in  
someone else's shoes  
Who knew? Mind you, I never had to stand in line, you  
did

But you won't, Kelly says she could've (x2)

Like a bat out of hell, time has come for you(x3)

Ever so careful on the strip we cruise, crippled in  
someone else's shoes  
Who knew? Mind you, I never had to stand in line, you  
did

Ever so careful, on the strip we cruise, crippled in  
someone else's shoes  
Who knew? Mind you, I never had to stand, in line you  
did, for the ballad of a comeback kid
