In home theaters  
Still projecting  
Undestructing  
A voice from the back of your  
Double feature  
Soft and harder  
Wait  
In silence  
While planning your attack

Shining through the hollow today  
Thinking maybe heavens away  
They've shown this on both screens  
They've shown this on both screens

In torn seats are  
Film leaders  
Lead the charging  
Of armies into war, yeah  
Lead the charge of  
Twin teachers  
False and feature  
Picture and author, yeah  
Flipping through the photos they send ya  
Going to 16th and Valencia

They've shown this on both screens  
They've shown this on both screens

Team  
Teeming with things  
You can find in the dark  
Dust in the light  
Falling through  
Day after night  
Falling with you  
Photos of you  
Oooooooooohhhh

In soft seats are  
Stills projecting  
No protecting

From voices in the back of ya  
Double feature  
Soft and heartland  
Stone the hope then  
They slip ya through the cracks yeah  
Flipping through the photos they send ya  
Going to 16 and Valencia

They've shown this on both screens  
They've shown this on both screens  
They've shown this on both screens  
They've shown this on both screens
