You know I beg, steal or borrow
but I'll bring you love

I look at you and I see
what I've been looking for
Now it's very clear to me
We should be together
You make me feel
I could reach for the impossible
and knowing how much you care
I'll be there forever

You know I beg, steal or borrow
to give you sunny days
and in a hundred ways, I'll bring you love
You know I beg, steal or borrow
to make your garden grow
and most of all you know, I'll bring you love
Love

I always knew that the world
could be a finer place
So what if I have to wait?
Better late than never
You, you're like me
'cause you believe love makes it all worthwhile
and although we've just begun,
we'll go on forever

You know I beg, steal or borrow
to give you sunny days
and in a hundred ways, I'll bring you love
You know I beg, steal or borrow
to make your garden grow
and most of all you know, I'll bring you love

Love

You know I beg, steal or borrow
to give you sunny days
and in a hundred ways, I'll bring you love, love, love
Love, love, love
