I say fuck society, I live the way I want  
It's the way, it's the way, it's the way  
I don't care what you think, it doesn't change a thing  
It's the way, it's the way, it's the way

[Chorus:]

Don't sit there and cry  
(Bring out the fight! )  
Stand up and fight!  
(Bring out the fight! )  
It's all about your freedom  
(Bring out the fight! )  
Cause it's your fucking life  
(Bring out the fight! )

Gonna do what I want, and that's the way it is  
It's the way, it's the way, it's the way  
You can try to talk me down, but you're wasting your  
breath  
It's the way, it's the way, it's the way

[Chorus]

All you do is talk and it makes me fucking sick  
It's the way, it's the way, it's the way  
For the way I want to live  
It's the way, it's the way, it's the way

[Chorus]

I say fuck society, I live the way I want  
It's the way, it's the way, it's the way  
I don't care what you think, it doesn't change a thing  
It's the way, it's the way, it's the way  
[X2]

[Chorus]

All you do is talk and it makes me fucking sick  
It's the way, it's the way, it's the way  
For the way I want to live  
It's the way, it's the way, it's the way
