This one goes out to all the emo kids
Thanks for making it Halloween 365 days a fucking
year

See you at the bar you look like all the other guys
I guess that's what you're shooting for
Spent a fucking hour on your clothes and on your hair
It's not about what you think, it's what you fucking wear
See you in that red sweatshirt, jeans that are way too
tight
I guess you're god damn lucky that we'd rather drink
than fight

I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid

FUCK EMO!

FUCK EMO!

I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
I can't stand you, they can't stand you, we can't stand
you
Fucking emo kid
