People always tell me it's a funny name  
I suppose they could be right but just the same

Amy  
What a girl  
?  
Even if I say so  
I could've loved her if only I'd known

Amy  
Flowing hair  
On the seventh page there  
She will never age there  
Now forever she'll be

Sweet Amy  
Guess I got a thing about Amy  
Always wanna sing about Amy,  
my picture book queen

Girl of my dreams  
People always tell me it's a funny name  
I suppose they could be right but just the same

Amy  
How I wish  
I could be there with you  
All my love I'd give you  
Darling I hope there'd be no one  
but Amy

Years ago  
Someone must have kissed you  
Wonder if he missed you?  
Just like I'm doing today

Sweet Amy  
Guess I got a thing about Amy  
Always wanna sing about Amy,  
my picture book queen
