You came into my life
And you showed me how to feel
(Heartbeat)
You covered me with love
And you made me feel so real
(Heartbeat)

I don't wanna lose your love
You're the only one I'm dreaming of
(Heartbeat)
Let this feeling never end
You were heaven sent

Love is just a heartbeat away
Now here is my promise
I'll take you to the moon and back
I'll light each star for you

Love is just a heartbeat away
To you I'll swear, babe
I'll let the snow fall down in June
To make my dream come true that you'll be mine
(Heartbeat, heartbeat, heartbeat)

I'll be there for you
You can always count on me
(Heartbeat)
I don't wanna live without you
(Without your love, without you near by my side)

I just wanna spend my time close to you
You make me feel so right
(Heartbeat)
Let this feeling never end
You were heaven sent

Love is just a heartbeat away

Now here is my promise
I'll take you to the moon and back
I'll light each star for you

Love is just a heartbeat away
To you I'll swear, babe
I'll let the snow fall down in June
To make my dream come true that you'll be mine

You came and changed my life
'Cause you showed me
Honesty, true love and dignity
It's so amazing, it's so sweet, it feels like heaven

Love is just a heartbeat away
Now here is my promise
I'll take you to the moon and back
I'll light each star for you

Love is just a heartbeat away
To you I'll swear, babe
I'll let the snow fall down in June
(I love you)
To make my dream come true that you'll be mine

Love is just a heartbeat away
Now here is my promise
I'll take you to the moon and back
I'll light each star for you
And you'll be mine
