I'm intoxicated

Music, wine and candlelight  
You know how to please me  
The way you walk, the way you talk  
Something turns me on

You stopped my tears from falling  
Showed me how to smile  
When I'm close to you there's nothing else  
That I would rather do

One on one, it's tender love  
I'm yearning for your touch  
Your sweet caress, your gentleness  
Is what I'm dreaming of

Intoxicated, I'm addicted  
Feet are losing ground  
Intoxicated, I'm attracted  
Turn me inside out

Intoxicated, I'm devoted  
When you touch my soul  
Intoxicated, now I know that  
I'm burning for your love  
I can never get enough, intoxicated

When you kiss me I'm in heaven  
You make loving fun  
It's pure delight, you do me right  
You know how to love me, oh yeah

Intoxicated, I'm addicted  
(Don't you know, don't you know, don't you know)  
Intoxicated, I'm attracted  
Intoxicated, I'm devoted  
When you touch my soul  
Intoxicated, now I know that  
Burning for your love

Shower me with your love

You know what I want  
No, I can't get enough, take my heart  
I'm addicted to your love

Intoxicated, I'm addicted  
(No, I'm addicted to your love)  
Intoxicated, I'm attracted  
Intoxicated, I'm devoted  
(Devoted to your love)  
Intoxicated, now I know that

Intoxicated, I'm addicted  
(No, you got me burning for your love)  
Intoxicated, I'm attracted  
(Don't you know, don't you know, don't you know)

Intoxicated, I'm devoted  
When you touch my soul  
Intoxicated, now I know that  
I'm burning for your love
