Now you're gone
Never felt this way
Since the day we were dreamers
So strong, so strong

No more words, all I feel is pain
Should we talk again 'bout the reason
Thinking of you
Dreaming of you

Memories are made of this
Something in the air has kept me dreaming
Visions of your tender kiss
Nothing in this world can fight this feeling only you, so
true
The night is gone but I still dream of you, so true
The day has come but I'm not over you

Life goes on
Sometimes I'm alright
But inside I still miss you
So strong, so strong

What went wrong, were we just too blind
Everything reminds me of your love
Thinking of you
Dreaming of you

Memories are made of this
Something in the air has kept me dreaming
Visions of your tender kiss
Nothing in this world can fight this feeling, only you, so

true

The night is gone but I still dream of you, so true

The day has come but I'm not over you
