No tears to cry, no sad good-byes
I'm spreading my wings and I'm ready to fly
No tears to cry, no sad good-byes
I'm spreading my wings and I'm ready to fly

So long I've waited patiently
Did what I was told was best for me
Blindly I'd follow, trustingly
And never question why

Unaware of the power inside me
It was a gift of love that was meant to be
Shared with the world, faithfully
It was my only dream

No tears to cry, no sad good-byes
I'm spreading my wings and I'm ready to fly
No tears to shed, only happiness ahead
This millennium will be my time to be free

Through it all I have grown, no regrets
I can say I've learned my lesson well
The struggle and pain I won't forget
It's made a mark on me

With all of the strength I possess
I've gotta go for the chance of a life so sweet
No doubt in my mind, I am blessed
I'm gonna live my dream

No tears to cry, no sad good-byes
I'm spreading my wings and I'm ready to fly
No tears to shed, only happiness ahead
This millennium will be my time to be free

No tears to cry, no sad good-byes
I'm spreading my wings and I'm ready to fly
No tears to shed, only happiness ahead
This millennium will be my time to be free

No, no, no tears
Oh, I wanted it so bad I could cry

No, no, no tears
But when I got it, it wasn't right

No, no, no tears
It was somebody else's vision of me
No, no, no tears
And now I'm gonna live mine

No tears to cry, no sad good-byes
I'm spreading my wings and I'm ready to fly
No tears to shed, only happiness ahead
This millennium will be my time to be free

No tears
No tears
No tears
