she was his only daughter  
he would do anything for her  
she was the apple of his eye

now shes a teenage rebel  
out late an gettin in trouble  
an he cant stop her but he tries

i met her at a club on wednesday  
took her home to her dad on friday  
he was waiting a the door to say  
dont you drive round hear no more

am gonna get it on with your daughter  
can stop us goin out tonight  
il be waiting at the window for her  
cos i no that u no that she nos that youd  
better lock up your daughter tonight

he told her she was grounded  
she looked at him dumb-founded  
but knew hed never get his way

lock the wondows change the doors  
i dont no why it never worked before  
shes gonna meet me anyway

he thinks shes tucked up in bed  
shes waiting with the light off instead  
all dressed up an ready to go  
when he wakes up shell be gone

am gonna get it on with your daughter  
can stop us goin out tonight  
il be waiting at the window for her  
cos i no that u no that she nos that youd  
better lock up your daughter tonight

you shouldnt worry about  
not goin out  
dont be a fool

were not at school

so lock up your daughter, just lock up your daughter,  
just lock up your daughter tonight

lock up your daughter tonight
