Woke up same clothes from  
last night or the night before  
smashed up my alarm clock  
But it's still ringing on the  
bedroom floor

My brain tells me  
go back to sleep  
something is happening  
Planet Ministry is calling  
Get up (get up) Join in (join in)  
It's time to pump up the volume

Chorus  
Wake up to Ministry of Mayhem  
(ministry of mayhem)  
It's a non-stop punk rock  
hurricane AM  
(Ministry of mayhem)  
Dogs are barking, Neighbours  
Howling, we can't hear a thing  
So wake up to Ministry of Mayhem

Kaos is ruling  
Invading robosapiens  
Holly, you're looking so fit, won't  
you let me be your superman  
Feels like i've been hit by a train  
Something is happening  
Planet ministry is calling.

Get up (get up) Join in (join in)  
It's time pump up the volume

Chorus  
Wake up to Ministry of Mayhem  
(ministry of mayhem)  
It's a non-stop punk rock  
hurricane AM  
(Ministry of mayhem)  
Dogs are barking, Neighbours

Howling, we can't hear a thing  
So wake up to Ministry of Mayhem

Think im going just a little  
Bit crazy  
Dr Helmet been  
experimenting on me  
Better than double vision  
Triplets on the television  
little ray's chasing me for  
breaching the security  
Just another mayhem saturday

Chorus  
Wake up to Ministry of Mayhem  
(ministry of mayhem)  
It's non-stop punk rock  
hurricane AM  
(Ministry of mayhem)  
Dogs are barking, Neighbours  
Howling, we can't hear a thing  
So wake up to Ministry of Mayhem

Hey, hey, here we go now  
Na-na-na, Na-na-na, ho!  
(Ministry of Mayhem)

It's the ministry of minstry of ministry of mayhem.
