[audio clip]

I took her to an empty house in westchester i had  
already picked up.  
When we got there i told her to wait outside, pick wild  
flowers.  
I went upstairs and stripped all of my clothes off.  
I knew if i did not i would get her blood on them.  
When all was ready i went to the window and called  
her.  
Then i hid in the closet until she was in the room.  
She saw me all naked and began to cry and tried to run  
downstairs.  
I grabbed her and she said she would tell her mama.  
First i stripped her naked.  
How she did kick bite and scratch.  
I choked her to death.  
Then i cut her into small peices so i could take my meat  
to my room, cook  
And eat it.  
Sweet and tender her ass roasted in the oven  
It took me nine days to eat her entire body.  
I did not fuck her.  
Though i could have as i wished.  
She died a virgin.
