So stick around,
And I'll reverse that frown,
We'll lay on the ground,
And... we'll look at the sky,
Clouds are flying by,
And you're by my side.
I'm looking in your eyes.

It'll only take a day,
And with a new outlook,
You'll fall in love anyway.
Yes, you're looking so cute.
I want to be with you,
Just with you.
And hey,
I called you up yesterday,
Just to see,
If you wanted to get out of this town with me.

I had to ask,
Because the seasons are going fast,
And this won't last,
We'll lay on the grass,
And... we'll look at the sky,
Clouds are flying by,
And you're by my side.
I'm looking in your eyes, your eyes.
