Blind and mad  
Spreading Chaos and Death  
Monarch marching  
Reigning in the name of the Divine

Unbound and murderous  
Morbid Messiah hungering for war  
Unwilling to bow for anything  
Kneel and offer defeat!

Devoid of mercy  
Lives are just lives and mean nothing to me  
I am God and spit at you people

Fuelled with fury  
Compelled by the raging hate inside  
Conditioned to conquer and create  
My Will is the Will of all!

Peace I know not  
Rage is my religion  
Where cultures clash I take command  
And feed the fire with black hatred

Cross-eyed gaze on supremacy  
Expansion of the Elite  
Centered at one vision  
Backdraft of anti-human sanity

There will be death at the end of the tunnel

From war to war I grow in number  
Parading in power  
Utopia is within reach

Chaos Christus Vincit!  
Chaos Christus Regnat!  
Chaos Christus Imperat!

Contra mundum ad infinitum  
Contra mundum ad absurdum  
Contra mundum ad nauseam

Consummatum Est!

Asphyxiating the spawn of the impure  
The Final Solution to subhuman life  
Exterminate all!  
My kingdom is One

From earth to heaven bodies pile  
Megalomania knows no limits  
Full blooded misanthropic  
I am superior to all races
