In Nomine Noxathanus  
In Nomine Chaosathanas  
In Nomine Zazazathanas  
No god of order shall illuminate my soul!

On and on  
For nothingness I go  
Smiting myself down deeper and deeper  
Into unalterable Blackness  
Turn to the Night of Choronzon

Downwards with a sigh  
Through the corridor of Da'ath  
Sucked into the Invisible Light Which Is Darkness

My wings fly backwards to the beginning  
On the rim of Dissolution  
I spin out of my sight and out of my mind

I go beyond the crucifix and beyond it's impotence  
I go beyond thought and beyond Being itself  
Beyond knowledge, beyond order  
Beyond cosmos, beyond god

laidal  
laidal  
laidal  
laidal  
laidal

I become zero, emptying of being  
Unformed, deformed and unformed again  
My anterior shape is uncreated  
For I'm forgotten in my memories

Reborn inside the bowels of Nox  
As I crawl along the shores  
Of the foaming seas of Oblivion

Sub Noctes Nocte!  
Sub Noctes Nocte!  
Sub Noctes Nocte!

Here is where it all ends  
Here lives nothing  
What'soever has died  
Goes on dying

Sic Luceat Nox!  
Sic Luceat Nox!  
Sic Luceat Nox!

Chaos is the Great Father  
And I have returned  
I witness the Darkness Undying  
Hidden from all eyes
