Hail Choronzon hail!  
Come Choronzon come!  
I salute and conjure Thee  
O Choronzon

By the chaos that moves me  
By the madness that imprisons me  
By the Power of Undying Darkness  
I conjure Thee again

By the Word that opens ZAX  
ZARZAX calls upon thee  
By Three and by Three and by Three  
Come unto me

Hail unto Thee  
Who are Thrice One  
Whose Name is the Second Death  
Thou, who outnumberes the legions of light

Thou whose voice is the insane babble  
Of a multitude of demons  
Thou who screams "I am I"  
Come forth from the Nothingness

Thou are the Master of Form  
And from Thee all forms proceed  
Thou who hath no face  
For Thou hath all faces

Thy ways are methods to the Madness  
Share my insane hatred  
Against the supposed creator  
And slay the son of man

Zodacare Od Zodameram  
Zodacare Od Zodameram  
Zodacare Od Zodameram  
Zodacare Od Zodameram

Unsanctify this place of peace  
That all righteousness departs from it

Befoul this planet with the stench  
Of thy excrements

O Choronzon  
Thou who art seated higher than the heavens  
I pray that Thou bestoweth unto me  
The knowledge of the world between being and not

Feel free to manifest  
Feed upon the names of god  
For Thou art Master of the Triangle  
Come unto me

Come to life  
Corruptor of all coherence  
Set ablaze this earth of matter  
Rise Choronzon rise

Lexarph. Comanon. Tabitom.  
Come Choronzon  
I welcome Thee  
I am servitor to Thy Dominion

Zodacare Od Zodameranu
