Germany was having trouble
What a sad, sad story
Needed a new leader to restore
Its former glory

Where oh where was he?
Where could that man be?
We looked around and then we found
The man for you and me and now it's

Springtime for Hitler and Germany
Deutschland is happy and gay
We're marching to a faster pace
Look out, here comes the master race

Springtime for Hitler and Germany
Winter for Poland and France
Springtime for Hitler and Germany
Come on, Germans, go into your dance

I was born in Dörfelsseldorf
And that is why they call me Rolf
Don't be stupid, be a smarty
Come and join the Nazi party

Springtime for Hitler and Germany
Goose step's the new step today
Bombs falling from the skies again
Deutschland is on the rise again

Springtime for Hitler and Germany
U-boats are sailing once more

Springtime for Hitler and Germany
Means that soon we'll be going
We've got to be going
You know we'll be going to war
