LEO:

The urge to merge can rob us of our senses
The need to breed can make a man a drone
We must be on alert with our defenses
For every skirt will test testosterone
So knowing this I severed all connection
With any creature sporting silk or lace
I was firmly headed in the right direction
When suddenly I stumbled on that face
That face, that face
That dangerous face
I mustn't be unwise
Those lips, that nose, those eyes
Could lead to my demise
That face, that face
That marvelous face
I never should begin
Those cheeks, that neck, that chin

Will surely do me in
I must be smart
And hide my heart
If she's within a mile
If I don't duck
I'm out of luck
She'd kill me with her smile
That face, that face
That fabulous face
It's clear I must beware
I'm certain if I fall in love
I'm lost without a trace
But it's worth it...
For that face

ULLA:

That face, that face
That lovable face
It melts my Swedish heart

LEO:

I'm certain if I fall in love
I'm lost without a trace...

LEO & ULLA:

But it's worth it for...
That face
