Where art thou sweet conclusion
Not here
Not anywhere within reach
Tirades
Days of search
Hopelessly lost within my own occupations
Identity less
Scatterbrained
Forgive my wandering thought patterns
They aren't making any sense
Not here
Not anywhere within sight

And I'm through with this quest
Conclusion is lost
I resign to this curse and accept that it's dead

Wasted my time on a shallow one
Wasted my time on a shallow one
Wasted my time on a shallow one

Is today over yet
Is today over yet
Is today over yet
I want to go back to sleep now
