How do you get so high?
How do you get so high with yourself?
How do you feel so low?
Don't think I'll ever know for myself.

Tell me it is a sin,
but I know you wanna tell me the truth.
And I'll tell you that it's alright
if it gets you through the night
I'll tell you all.

The circle will never be broken or go untrue.
Through this lifetime, arms around me.
Feel it over, We'll make it through.

How do you feel tonight
when the love you tried to hide
is all gone?
And I've given it all I got
but it really ain't a lot
'cause it's all gone.

Tell me it is a sin, but I know
you won't tell me the truth.
And I'll tell you that it's alright
if it gets you through the night,
I'll tell you all.

The circle will never be broken or go untrue.
Through this lifetime, arms around me.
We'll pull together.
We'll make it through.

The circle will never be broken or go untrue.
Through this lifetime, feel it over.
We'll stand together.
We'll know it's true.

The circle will never be broken or go untrue.
Through this lifetime, arms around me.
We'll feel it over.
We'll make it through
