There is something wrong inside my head
Gotta find a way
Gotta let go of everything you said
Gotta find a place
Where I can hide away
When I close my eyes
It's darker than anything
When I close my eyes
Feels like I'm falling down

When will plastic people understand
I'm dreaming and they pick you up just to tie you down
I'm sad to say, they turned away

When I close my eyes
It's darker than anything
When I close my eyes
Wishing the world away
When I close my eyes
Feels like I'm falling down
Down, down, down, down...
