I gotta hear it every minute,
About the things IÂ'm doing wrong,
IÂ'm trying hard just to forget it,
But you just keep on going on and on and on

I canÂ't keep you around,
Cause youÂ're only going to bring me down,
ThereÂ's nothing left to say,
ItÂ's a chain reaction

I know sometimes I canÂ't believe it,
Yeah the things you say to me,
IÂ'm sure you probably have your reasons,
That led us to this misery

I canÂ't push you away,
Cause youÂ're the only going to make me pay,
ItÂ's making me insane,
ItÂ's a chain reaction
Chain reaction
Chain reaction
Chain reaction

I canÂ't get there right now,
IÂ'm hanging up goodbye

I push you,
You push me,
I push you,
You push me,
I push you
You push me
I push you
You push me

CanÂ't find my way out,
Always something else to shout about,
And IÂ'm in pain,
ItÂ's a chain reaction
Chain reaction
Chain reaction
Chain reaction

Chain reaction
Chain reaction
