Walk away,
Walk away with pride,
I'm on your side,
Steal the day,
Steal the sunshine and the rain,
I'm on your side,
Someone like you, want me to, talk to you
Well I'm not being rude,
I've got things to do,
A fake array,
I fake the words that I say
With a strangers display,

And what remains,
Well what remains inside,
Why are you so blind?
Someone like you want me to, talk to
Well I'm not being rude,
I've got things to do,
There's more to life,
And I, I'm not your friend
You know, there's more to life,
And I wish there was,

It's not me
It's not me
It's not me
It's not me

Someone like you, want me, to talk to,
Well I'm not being rude,
I've got things to do,
Someone like you,
Stands around and fakes the truth,
Goodbye, where threw,
I've got shit to do
