New York City's got a colder winter
Than where I live this time of year
I wouldn't know 'cause I missed my flight
And went out instead

Handful of friends with some dynamite
Set to explode if you do it right
Right off a cliff on a Saturday night
Should have stayed at home
I never would've met her there

Oh, oh no
She's my biggest mistake
I never knew about her
Oh, oh no
She's my biggest mistake

I should have listened to the first time
Mitch Ryder warned me
About the psycho with the blue dress on
I tried to run but she's so, so good at keeping up

I had it coming, or so they said
Right off the pages of a gossip thread
If only I had just stayed in bed
Gonna sue Jet Blue for everything they put me through

Oh, oh no
She's my biggest mistake
I never knew about her
Oh, oh no
She's my biggest mistake

Oh, oh no
She's my biggest mistake
(Biggest mistake, biggest mistake)
I never knew about her
Oh, oh no
She's my biggest mistake

Wake me up from the nightmare I'm in
She's a certified psycho and she's pulling me in

Wake me up from the nightmare I'm in
She's a certified psycho, can anybody help me out?

Oh, oh no
She's my biggest mistake
I never knew about her
Oh, oh no
She's my biggest mistake

Oh, oh no
She's my biggest mistake
(She's my biggest mistake)

Oh, oh no
She's my biggest mistake
(Biggest mistake, biggest mistake)
Oh, oh no
She's my biggest mistake
